III. INCOMPLETE TOURNAMENT POLICY

If the championship tournament cannot be completed by the end of Sunday, and if all teams have completed at least one contest, the highest remaining seed will receive the Conference AQ. Otherwise, the top seed as determined by the regular season will receive the automatic qualifier.

IV. EXPENSES

The host institution is responsible for securing and paying the personnel needed to ensure the best possible operation of the playoff contests, including:

- security
- scoreboard operator
- official scorer
- public address announcer

All game management expenses are paid by the host institution. **The host institution will be reimbursed for officiating expenses.** Hosts should complete the attached budget report and return to the Conference Office immediately following the tournament.

V. CHAMPIONSHIP TROPHY

The previous year's champion is responsible for bringing the championship trophy to the championship site. The trophy must be engraved (updated) by the previous year's champion.

The Centennial Conference championship trophy will be presented immediately following the conclusion of the championship game. Both teams are requested to return to their respective benches after post-game handshakes. A short ceremony will follow with the captain(s) being called forward to receive the trophy.

VI. CHAMPIONSHIP ADMINISTRATION

Uniforms

Each team must bring two sets of uniforms of different colors. The home team may not wear the same color as the visiting team. Determination of uniform colors must be approved by the games committee. As a reminder, when teams play back-to-back games, they must be prepared to change uniforms, if necessary. In competition and during related ceremonies (pre-game/warm-up, introductions, award ceremonies and post-game interviews), student-athletes in the championship shall wear exclusively the official game uniforms of their institutions. This applies to warm-up uniforms as well as competitive uniforms.

Locker Room Assignments

Provided by host institutions during conference call.

Team Benches / Dugouts

The higher seed will use the third-base dugout / bench.

Determining the Home Team

1. The games committee shall designate as home team the institution that has been home team the fewest times (first round and finals are considered separately).
2. If two teams have been the home team an equal number of times but visiting team an unequal number of times, the team that has been the visitor most often shall be designated as home team.
3. If two teams have been both home team and visiting team an equal number of times, and if the two teams previously met, the visitor in the initial game shall be the home team in the second game.
4. If two teams have been both home team and visiting team an equal number of times, the team that was the visitor in its preceding game shall be the home team, unless both teams were the visitor in their preceding games.
5. If the preceding formula does not prevail, the home team shall be determined by a coin toss using the double flip procedure.

Double Flip Procedure

1. Two members of the games committee meet with coaches to break a tie.
2. It is explained to coaches that ties are broken by a double flip, which means you flip first to see who gets to call the second flip.

Flip No. 1

1. Games Committee member No. 1 indicates one team as heads and the other as tails.
2. Games Committee member No. 2 flips coin, and whichever way the coin comes up (heads or tails) is the team that gets to call flip No. 2.

Flip No. 2

The team that won flip No. 1 calls heads or tails while coin is in the air.

Practice at Championship Site

No practice will be permitted at the team championship site (host team excluded) prior to game day. No practice is permitted on the game field prior to the warm-up for the first game. Prior to the championship game, the facility will be made available for official warm-ups 60 minutes prior to the start of play.

Practice Schedule

It is suggested that batting practice be arranged on a field other than the tournament field in the event that more than one game is to be played on a given day. Each team will be permitted a maximum of eight minutes for infield practice before each game. Ground balls will be permitted before the eight-minute warm-up in foul territory. **The host administrator will be responsible for clearing the field when practice time has elapsed.**

Length of Contests

All games shall be seven innings, except that a five-inning eight-run rule will be used in all rounds of the tournament. If play is stopped before a seven-inning game is completed and the eight-run rule is not in effect, it shall resume at the point of interruption.

National Anthem

The national anthem will be played before each day's session.
