Section III - Playing Season Regulations

- A. Length of Playing Season.** The length of an institution's playing season in field hockey shall be limited to a maximum of 18 weeks (traditional and nontraditional segments combined). *(Adopted 1/12/04)*
- B. Traditional Segment.**
- 1. Preseason Practice.** A member institution shall not commence practice sessions before the date that permits a maximum of 16 practice opportunities prior to the first scheduled intercollegiate game or prior to September 1, whichever is later.
 - 2. First Contest or Date of Competition.** An institution shall not play its first contest or engage in its first date of competition (contest or scrimmage) with outside competition prior to September 1 or the preceding Friday if September 1 falls on a Saturday, Sunday or Monday. An unlimited number of exhibition scrimmages may be conducted on one date during the preseason practice period, which shall count as one date of competition in the institution's maximum limitation on contests or dates of competition.
 - 3. Maximum Limitations.** An institution shall limit its playing schedule with outside competition in any one year to 18 contests except for those contests excluded in the *NCAA Manual*. *(Revised 6/4/03)*
- C. Nontraditional Segment**
- 1. Preseason Practice.** For an institution that conducts its nontraditional segment in the spring, February 1.
 - 2. First Contest or Date of Competition.** September 1.
 - 3. Nontraditional Season Length.** All practice and competition during the nontraditional segment shall be limited to a maximum of five weeks.
 - 4. Practice Opportunities.** The Conference permits a maximum of 16 practices with no more than four practices in any one week. *(Revised 6/4/03)*
 - 5. Maximum Limitations.** The Conference permits one date of competition with outside competition that is counted toward the allowable 16 practices (*i.e.* 15 practices + 1 DOC = 16; 16 practices + 0 DOC = 16). *(Revised 6/4/03)*
 - a. Exemption - Alumni Game.** The Conference also permits one date of competition against an alumni team that is counted toward the allowable 16 practices. *(Revised 5/28/08)*
 - 6. Class/Laboratory Time.** No class or laboratory time may be missed for practice or competition.
 - 7. Date of Competition Limitations.** A maximum of eight hours of athletically related activity may occur on the one date of competition for all participants. Further, competition activity on the one date must be included in the eight-hour maximum and is also limited to two regulation baseball games or 18 regulation innings (e.g., three outs per inning, three strikes per out). *(Revised 4/17/07)*

Section IV - Rules Governing Championship

All NCAA championship rules apply unless amended below.

- A. Determining the Conference Champion.** The Conference champion will be determined by a five-team playoff. The teams are determined by the most points earned in a single round-robin format. Two points will be awarded for a victory, one point for a tie and none for a defeat.

First Round (Wednesday): No. 5 seed at No. 4 seed.

Semifinals (Saturday at No. 1 seed): 4-5 winner at No. 1 seed; No. 2 seed vs. No. 3 seed. Top seed determines the order of semifinal games in consultation with Conference Office.

Championship (Sunday at No. 1 seed): semifinal winners. *(Adopted 6/7/00; Revised 6/9/04; Revised 11/30/04)*

B. Tournament Scheduling Conflicts

If a school hosts two or more fall championship first-round games on the same day at the same unlighted venue, the visiting team that travels the farthest will play its game on Wednesday. The visiting team that is closer will play its game on Tuesday. Mileage matrix determined by the Conference Office.

If the facility has lights, the team traveling the farthest plays the second game on that day.

If there are three fall championship first-round games at the same venue (men's soccer, women's soccer, field hockey), the visiting soccer team that is closest will play its game on Tuesday. The other two games will be played on Wednesday with the order determined by mileage (closest first, farthest second).

If one school hosts two championships on the same venue at an unlighted facility (*example: Haverford soccer*), the semifinals between the No. 2 and No. 3 seeds in both tournaments will be hosted by the No. 2 seed. Both championship games will be played at the highest remaining seed. If both championship games are played at the No. 1 seed, the order will be determined by mileage (closest first, farthest second).

If one school hosts a championship for both genders at the same venue (*example: men's and women's soccer*), in odd-numbered years, the men's tournament will be played Friday and Saturday, while the women's tournament will be played Saturday and Sunday. In even-numbered years, the women's tournament will be played Friday and Saturday, while the men's tournament will be played Saturday and Sunday.

If field hockey conflicts with either soccer tournament, substitute hockey for the gender not represented. (*example: in 2007, Johns Hopkins hosts field hockey and men's soccer: men's soccer plays Friday-Saturday, field hockey plays Saturday-Sunday*)

If the tournament conflicts with a home football game, the tournament may be scheduled for Friday night and Saturday night. (*Adopted 6/9/04*)

C. Tie-Breaking Formulas

1. Head-to-Head Conference competition.
2. Team with best record vs. 1st place team, 2nd place team, etc. until tie is broken.
3. Goal-differential: An extra point shall be awarded for each goal a team wins by up to a maximum of three goals in games among tied teams (example: 4-1 is worth three points, 4-2 is worth two, 5-1 is worth three).
4. Coin flip by Executive Director. (*Adopted 6/7/00*)

When any secondary criteria separates one or more tied teams, but does not completely break the tie among all teams involved, re-apply the criteria to all groups of teams still tied, starting with the Conference's primary tiebreaker for all sports (head-to-head Centennial competition). (*Revised 6/4/03*)

D. Starting Times.

First Round (Wednesday): 2:00. If the host has a lighted facility, 7:00.
Semifinals (Saturday): 11:00 and 70 minutes following conclusion of first semifinal.
Championship (Sunday): 1:00.

Conflicts will be worked out between the committee chair and the Conference Office. Travel expense and time will be taken into consideration for start times and order of semifinal games. (*Adopted 6/7/00; Revised 6/6/01; Revised 6/9/04; Revised 6/1/05*)

E. Inclement Weather. Guidelines governing championship administration are as follows: 1) Semifinal games must be played back-to-back. 2) Designated start times would be no earlier than 11 a.m., and no later than 7 p.m. 3) All games would be played on the same surface. 4) If these criteria could not be met by the #1 seed, then the Conference would look to the #2 seed to host. (*Adopted 6/6/01*)

F. Incomplete Tournament. If the championship tournament cannot be completed and each team has completed at least one tournament contest, the highest remaining seed will be the Conference's champion and automatic qualifier to the NCAA tournament. Otherwise, the top seed as determined by the regular season will receive the automatic qualifier. (*Adopted 6/5/02; Revised 6/9/04*)

G. Practice at Championship Site

1. No practice will be permitted at the championship site (host team excluded) prior to game day.
2. No practice on the game field prior to the semifinals.
3. Prior to a single outdoor championship event, the facility will be made available for official warm-ups 45 minutes prior to the start of play. (*Adopted 6/9/04*)

H. Officials. The officials for future Conference championship tournaments will be assigned through the Conference Office by: Fran Trumbo (2008) and Sue Diffenderfer (2009). (*Adopted 6/9/04*)

Section V - Regulations Governing Competition

All NCAA Rules apply unless amended below.

A. Starting Times. All Conference games played after daylight savings time has ended are to start no later than 3 p.m. on a weekday. After October 1, unless mutually agreed upon, contest will begin no later than 4 p.m. unless the facility has lights. An institution with lighted facilities may schedule night games that may start no later than 8 p.m. (*Revised 6/4/97; Revised 6/1/05; Revised 5/31/06*)

Pre-Game Schedule (example: 12 noon start)

10:50 a.m.	clock starts at 62:00; teams may begin warm-up
11:52 a.m.	field is cleared; teams return to benches; pre-game introductions; national anthem
12:00 p.m.	game begins

- B. Warm-Up.** During the regular season, teams will have the full 62 minutes of warm-up time with the exception of conflicting competitions (not to include practices) on a multi-use field. In such a situation, each team will be given a minimum of 45 minutes of warm-up time with an additional eight minutes allotted for pre-game announcements and national anthem. *(Adopted 5/28/08)*
- C. Official Ball.** The official game ball will be the same one as designated by the NCAA for its championships (Penn Monto Elite Turf).
- D. Officials.** In order for a Conference game to be played, two officials must be present. If only one official is present, the game will be repeated at the same site unless it was determined that the home team was at fault. Then, the opposite site will be used.
- E. Minimum Standards for Hosting Conference Contests.** The home team should meet minimum requirements for hosting a Conference game — a visible scoreboard; a backup clock and flip cards for scoring; a horn at the scorers' table; an official NCAA score sheet; substitution cards; drinking water present at benches 30 minutes prior to contests; extra balls placed behind goals. The home team is responsible for supplying a trained timer while each team shall have a trained scorer who travels with them to all games. *(Adopted 6/7/95, Revised 6/2/99)*
- F. Postponed Games.** All postponed Conference games will be rescheduled upon mutual agreement by the coaches or administrators. In the final week of regularly scheduled Conference play, a postponed Conference game will be rescheduled for the next available date and shall have priority over non-Conference games.
- G. Cut-Off Date.** The cut-off date for the completion of Conference regular-season competition is 6 p.m. on the Sunday prior to the championship. *(Adopted 6/9/04)*
- H. Scouting Information.** Scouting information (film, tape, written or verbal information) about Centennial Conference schools may not be shared with non-Conference opponents. *(Adopted 6/3/98)*
- I. Length of Grass.** The length of grass on the fields in the Centennial Conference should be maintained at 1 1/4" or less. *(Adopted 6/7/00)*
- J. Jewelry.** Due to the potential for bodily injury, dismemberment, or even death, this policy regarding the wearing of jewelry, body piercing articles, and symbolic bracelets is recommended for all practices and games of Centennial Conference athletes. Tongue studs, spacers, or other objects are discouraged due to the potential for an obstructed airway or soft tissue damage. Protective mouthpieces are excluded from this policy. A player should not wear any jewelry, including earrings, chains, charms, watches, hair clips, bobby pins, tongue studs or items associated with piercing (visible or not visible), or bracelets. Exception: Medical alert bracelets or necklaces may be worn but should be taped to the body. Religious medals should be removed from chains and may be taped to the body or sewn under the uniform. *(Adopted 6/1/05)*

Section V - Awards

- A. All-Conference Team.** At the conclusion of the regular season, the conference coaches will select an All-Conference team. The team will comprise of 10 field players and a goalkeeper. It is recommended that coaches nominate no more than seven players for the All-Conference team. The coaches will also select a Player of the Year. *(Revised 6/7/00; Revised 6/9/04)*
- 1. Nominations.** Approximately seven days before the conclusion of the regular season, each coach of a participating Conference school should submit nominations of his/her athletes to be considered for All-Centennial status. No Conference-wide limit is made to the number of nominations that can be made for All-Conference consideration, although nominees should be starters or key reserves. The ballot will list nominees in the following order: (1) alphabetically by school; (2) player rank.
 - 3. Voting Procedure.** Shortly after the conclusion of the regular season and prior to the start of the championship tournament, voting for All-Centennial teams should be concluded. If the tie is still not broken, additional players may be added to the All-Star team. Any athlete receiving four (4) points will be assured of at least honorable mention status.
 - 5. Determination of Player of the Year.** For Player of the Year honors, coaches should vote for 1st, 2nd and 3rd with five points for a 1st place vote, three for a 2nd place vote, and one for a 3rd place vote. **Once again, coaches cannot vote for his/her own player.** Ties will not be broken and co-winners will be named.
